PROFESSIONAL SUMMARY

Senior Frontend Developer with 7+ years of experience creating responsive, user-focused web applications using HTML, CSS, JavaScript, React and Angular. Skilled in WordPress, Shopify, and Drupal, with expertise in UI/UX design, modern frontend frameworks, accessibility, and performance optimization. Experienced in client collaboration, team leadership, and delivering scalable, high-quality digital solutions.

JOB EXPERIENCE

Cybrain Software Solutions Pvt. Ltd. – Mohali May 2021 – March 2026
Sr. Front-End Developer (Key Responsibilities & Achievements)

- Airtech Websites (Drupal CMS)**
- Led the redesign and migration of legacy HTML websites to Drupal CMS, improving SEO, performance, responsiveness, and user experience.
 - Developed custom Drupal modules, blocks, views, and taxonomy structures to meet business requirements.
 - Created and implemented UI designs in Figma and collaborated directly with clients to gather requirements.
 - Managed Drupal core and module upgrades, ensuring security, stability, and long-term maintainability.
 - Implemented WCAG accessibility standards and PCI compliance across multiple websites.

- Airtech Dashboard (React, Tailwind CSS, Laravel)**
- Designed complete UI/UX in Figma for Super Admin, Admin, Supplier, and User dashboards.
 - Built responsive frontend applications using React, Tailwind CSS, HTML, and JavaScript.
 - Developed pixel-perfect PDF reports using DOMPDF, HTML, and CSS based on client specifications.

- Catalogue & WordPress Projects**
- Developed custom catalogue management systems with user-friendly admin dashboards and frontend interfaces.
 - Built and maintained multiple WordPress websites, focusing on performance optimization, responsiveness, and cross-browser compatibility.
 - Delivered custom frontend solutions using HTML, CSS, JavaScript, and CMS platforms.

- Leadership & Team Management**
- Promoted to Team Lead within one year based on performance and project contributions.
 - Led a team of 6 developers, conducting daily scrum meetings, task planning, and project coordination.
 - Managed workflows using Git, Jira, and Trello while providing technical guidance and resolving development challenges.
 - Ensured timely delivery of high-quality projects and maintained coding standards across the team.

Webtech IT Solutions – Mohali July 2018 – May 2021

- Web & Graphic Designer (Roles & Responsibilities)**
- Designed wireframes, prototypes, and responsive UI layouts in Figma, transforming concepts into user-friendly digital experiences.
 - Converted Figma and PSD designs into pixel-perfect, responsive WordPress websites using HTML5, CSS3, JavaScript, and modern frontend practices.

Humrobo Technologies – Mohali July 2017 – July 2018

- Web & Graphic Designer (Roles & Responsibilities)**
- Developed websites using HTML, CSS, Bootstrap, and JavaScript.
 - Converted PSD designs into functional webpages using WordPress plugins.
